Pensions

disability confident make it your business

Employers tell us recruiting and promoting disabled employees is one of the best business decisions they've ever made.

Their diverse talents, creativity and insights into a fast-growing customer demographic help build sustainable growth.

By becoming a disability confident employer you will be offered free support and information on Equality Legislation and Equality & Disability Awareness Training to staff; which increases confidence when dealing with disabled colleagues and customers.

For more information contact: sw.ses@fife.gov.uk or telephone: **01592 583142**
